Friendly Fuss-Free IT

Remote Support

Be prepared for whatever fate throws your way

You know how disruptive it can be to your business when "Computer says No."

Be prepared for anything that life throws at your computer with prepaid support packages.

Whether your computer is responding like a snail, Windows or a crucial app is throwing an incomprehensible error message at you, your hardware is acting up, or you're feeling uncertain about making a purchase, **you know you can email or call and get the support you need.**

Solidarity IT offers **comprehensive support packages**, which can be used on whatever IT problems fate throws at you. Investing in larger blocks of time gives you discounted hourly rates.
