Computer Management

Efficiency Improvements

Slow computers aren't something you have to put up with. Have your existing or new computers **tuned and optimised** by skilled technicians.

Call on the experts if you're seeing slowness in your existing computers or considering a new purchase. Whether an upgrade of your systems or a replacement computer is the way to go, **Solidarity IT's geeks** give free advice on the technical aspects, and if you invest with us, we offer initial installation, configuration, and tuning in addition to purchasing the parts.
